Getting to know OASE

HERE AT OASE, WE'VE ALWAYS HAD A PASSION FOR WATER, AQUATIC ENVIRONMENTS AND DESIGNS THAT MEET THE HIGHEST POSSIBLE STANDARDS OF TECHNICAL PRECISION – EVER SINCE 1949.

We are designers by trade and composers by heart, both when it comes to creating fascinating water scenes in gardens and aquariums and in the field of professional fountain and water technology.

From idea to implementation, from function to fascination, from technical to biological – we offer innovative presentations, smart products, premium quality and pure convenience, all under one roof.

StyleLine aquariums are a complete package for anyone who wants to create underwater landscapes in their home.

StyleLine – the perfect balance

Are you looking for first-class technology, highly detailed workmanship and linear designs? Our StyleLine aquariums stand out because of the perfect balance they achieve between all these components. This range offers a complete package for all budding or experienced aquarists.

Internal and external
values – how you can
benefit from StyleLine

FLUSH DESIGN

Unique among this class of aquariums.

SECURE AND DISCREET

Attractive and extremely stable feet with an aluminium look.

MINIMALIST BASE CABINET

Elegant push-to-open function without intrusive door knobs.

OPTIMAL PLANT GROWTH

LED lighting in constant daylight white at 6500 Kelvin.

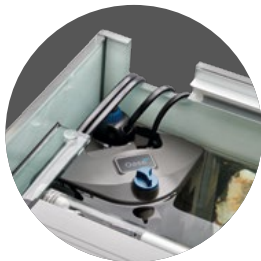

CONVENIENT ACCESS

Sliding cover made from high-quality glass.

PLENTY OF STORAGE SPACE

The high-quality "Made in Germany" base cabinet provides plenty of storage space, an integrated shelf and sophisticated details such as cut-outs for cables.

EASY TO KEEP CLEAN

OASE's best filter technology with integrated heater. The cut-out provides room for the internal filter or to connect an optional external filter.

StyleLine – compact and consistent

Choose between three sizes, depending on your personal preferences and the space available. Regardless of which you choose, all sizes offer a perfectly tailored combination of technology and design.

THREE SIZES OFFER SPACE FOR YOUR UNIQUE UNDERWATER WORLD
