

Basalt Columns & Kits

Natural Mongolian Basalt Columns add timeless beauty to any landscape

More Options Than Ever Before!

18", 24", 30" & 36" columns are available individually or as groups of three. Kits are available for a single 24" Column, 30" Column or 3-piece Kits.

Core Drilled

Core drilled to fit up to 1" Sch 40 PVC or 0.75" kink-free tubing plus a light cord. A 2" diameter, 5" deep socket at the top recesses Atlantic's Fountain Light and buffers the water plume

Kits Include Everything

Kits include everything needed to plumb and run the basalt columns.

Add Lighting

Our Warm White Fountain Lights and Spotlights illuminate plumes and columns for a mesmerizing evening glow.

- Atlantic Basalt Kits have everything included to create a working water feature with natural stone with minimal time and effort
- The plumbing sits directly on top of the basin protected in recessed channels so there is no chance crushing the tubing during installation

- Choose from single 24" tall Basalt Kits or triple Basalt Column Kits for installations in a range of locations
- Add Fountain Lights to create an illuminated torch effect after dark
